

RHSConstant

```
graph BT; ConstantExpression[ConstantExpression] --> RHSConstant[RHSConstant];
```

The diagram illustrates a class hierarchy. At the bottom is a box labeled 'ConstantExpression' with a light gray background. A blue arrow points vertically upwards from the top center of this box to the bottom center of a box above it labeled 'RHSConstant', which has a white background. This indicates that 'RHSConstant' inherits from 'ConstantExpression'.

ConstantExpression
